Dear Parent

Greetings!

We are glad to inform you that our school will be actively participating in the cleanliness campaign titled “Delhi Ko Kude Se Azaadi – Swachhata Abhiyan” from 1st to 31st August 2025, as directed by the Directorate of Education.

During this month, students will engage in various meaningful activities like classroom cleaning, slogan writing, “Best out of Waste” creations, awareness drives, and community cleanliness under the ‘Each One Clean One’ initiative. These efforts aim to instill the value of cleanliness, environmental responsibility, and civic sense among our children.

In addition to this, there are also simple home task activities assigned on specific days—like cleaning their school bag, study area, helping parents with household cleaning, etc. These tasks are designed to develop responsibility and good habits in children beyond the classroom.

We seek your support in encouraging your child to actively participate. Your involvement will go a long way in making this initiative a success.

Let’s work together for a cleaner, healthier and greener environment!

Warm regards
RHPS
